# Alliance Remote Gateway

Your Alliance Gateway hosted by SWIFT

"**Alliance Remote Gateway** drastically simplifies your SWIFT infrastructure"

What is Alliance Remote Gateway?

Customer premises

Customer premises

SNL

HSMs

Alliance Gateway

Alliance Connect

SWIFT

Alliance Access or **Alliance Entry**

Back-office applications

Replace your Gateways, SNLs, HSMs

✉ *Customer premises*
✉ *SWIFT*

Alliance Connect* **Alliance Remote Gateway**

SWIFT

* All Alliance Connect versions are supported (Bronze / Silver / Silver+ / Gold)

Alliance Remote Gateway – Light footprint

1   **Alliance Access** or **Entry** on Windows, Linux, AIX and Oracle Solaris

2   SWIFT **VPN boxes** (Alliance Connect)
- *All options supported (Bronze/Silver/Silver+/Gold) allowing to connect using leased lines and/or internet*
- *Secure & reliable, with resiliency built-in*

3   SWIFT **security tokens** (USB)
- *software certificates are supported for Access or Entry*

Simplify your systems:
- **No** need to run Alliance Gateway, SWIFTNet Link or HSMs at your premises
- **No** need for additional software
  (Alliance Access and Entry have built-in support for Alliance Remote Gateway)

Alliance Remote Gateway – Highlights

Alliance Gateway hosted by SWIFT

SWIFT's comprehensive operational service and support

Less complexity, effort, and infrastructure for you

All SWIFT messages, all SWIFT flows including FIN, InterAct, FileAct and Browse

No change to features, screens and integration capabilities of Access or Entry

Consider Alliance Remote Gateway if …

- You want the benefits of Alliance Access or Entry at your premises without needing to operate Alliance Gateway, SWIFTNet Link and HSMs

- You want to reduce technical complexity, effort and infrastructure for SWIFT messaging, while keeping control and application integration at your side

- You want to reduce your total cost of ownership (TCO)

Alliance Remote Gateway is designed for customers with up to **five BIC-8 destinations**, up to **10 concurrent users**, and **low-to-medium message volumes** (up to Alliance Gateway band 4)

Alliance Remote Gateway Pricing

❶ **One-time setup fee**

❷ **Yearly subscription fee**
replaces Alliance Gateway, SNL & HSM yearly fees

❸ Messages and files sent are charged
as per **standard SWIFT prices**

Contact your SWIFT representative for an offer
